

# ACCS CT3 & Core Level Training 1&2 Requirements for ARCP

Trainee			
Training Year of Review		LTFT - Y/N	Percentage?

MANDATORY REQUIREMENTS	Evidence	Comments
Educational Supervisor Structured Report		
Last ARCP Outcome		
Evidence of Completion of GMC Survey		
Evidence of Completion of JEST Survey		
ALS		
APLS/EPLS (consider if ALS current)		
Transfer Training (within 1 <sup>st</sup> year of core training)		
Airway Course (within 2 years of core training)		
Child Protection (level 2)		
Equality & Diversity Training		
Completed Report on Academic Progress (for Academic trainees)		
Primary Level FRCA Teaching Attendance (Min 70%)		
Common competencies 100% complete and uploaded (For ACCS CT3 only)		

REVALIDATION PAPERWORK	Evidence	Comments
Enhanced Form R		
Revalidation confirmation from ESSR		
Host Trust Critical Incident Reports		

SPECIALITY SPECIFIC PAPERWORK	Evidence	Comments
Learning Agreement (if not documented in IPR)		
Professional Development Plans (if not documented in IPR)		
Interim Progress Reports (Minimum 3 per year)		
Logbook Summary (using RCOA logbook summary only. Dates for each consecutive logbook should be continuous. Provide cumulative summary if ACCS CT3 /CT2)*		
MSF (one per year; minimum 10 replies for valid MSF)		
Educational Activities/ CPD Evidence & Summary		
QI Activity (at least 1 project per year) Some form of evidence eg power-point presentation/summary report should be included.		
Reflective Practice**		
Research Summary (for trainees undertaking research only)		

\* Logbook for current training year must be provided. Dates for each consecutive logbook summary should be continuous eg. if your logbook in CT1 runs from 1<sup>st</sup> Aug to 29<sup>th</sup> June, then for CT2, the logbook should start from 30<sup>th</sup> June to.....A cumulative logbook for both years must also be provided if ACCS CT3/ CT2. Please upload all pages of logbook eg procedures, ASA, mode of anaesthesia, time of day etc

\*\* reflection should be anonymized and not include any patient or staff identifiable information. It should focus on your individual learning from the experience/observation and how you feel it may change/improve your skills, knowledge, behaviour.

Exams	Passed	Date passed	No. of attempts if not passed
Primary MCQ	Yes / No		
Primary OSCE / SOE	Yes / No		
			<b>Date completed:</b>
Initial Assessment of Competence (IAC)			
Initial Assessment of Competence in Obstetric Anaesthesia (IACOA)			
Basic Training in ICM			

### BASIC TRAINING UNITS OF TRAINING AND WPBAS

#### Introduction to Anaesthesia (3-6months)

<b>Unit of Training</b>	<b>Completed:</b>	<b>WPBAs done if UoT incomplete</b>
Pre-operative assessment	Yes / No	
Premedication	Yes / No	
Induction of general anaesthesia	Yes / No	
Intra-operative care	Yes / No	
Post-operative and recovery room care	Yes / No	
Introduction to anaesthesia for emergency surgery	Yes / No	
Management of respiratory and cardiac arrest	Yes / No	
Control of infection	Yes / No	

#### Core Anaesthesia (3/6 – 24 months)

<b>Unit of Training</b>	<b>Completed:</b>	<b>WPBAs done if UoT incomplete</b>
Airway management	Yes / No	
Critical incidents	Yes / No	
Day surgery	Yes / No	
General, urological and gynaecological surgery	Yes / No	
Head, neck, maxillo-facial & dental surgery	Yes / No	
Intensive care medicine	Yes / No	
Non-theatre	Yes / No	
Obstetrics	Yes / No	
Orthopaedic surgery	Yes / No	
Paediatrics (including child protection)	Yes / No	
Pain medicine	Yes / No	
Regional	Yes / No	
Sedation	Yes / No	
Transfer medicine	Yes / No	Preferred completion in CT1 Year
Trauma and stabilisation	Yes / No	
Perioperative Medicine	Yes / No
